MOHAMED GAMAL MAHMOUD

Software Engineer | Backend Developer (Java, Spring Boot, REST APIs)
Egypt | +20 111 125 8819 | mrwhjmal656@gmail.com
Portfolio: mohamed10gamal10.github.io/portfolio_Mohamed | LinkedIn: Mohamed Gamal (MoGamal)
GitHub: github.com/mohamed10gamal10 | Codeforces: Mohamed_gamal_10 (Specialist)

PROFESSIONAL SUMMARY

Software Engineer specializing in backend development, with strong fundamentals in OOP, data structures and algorithms, databases, REST API design, and application security. Built backend projects end-to-end using Java, Spring Boot, Spring Data JPA, Hibernate, and MySQL, including JWT authentication, role-based access control, and payment integration. Computer Science student (GPA 3.78/4.00) and Codeforces Specialist. Currently learning Docker, Microservices, Redis, and CI/CD.

Projects: to view my projects, visit my portfolio: https://mohamed10gamal10.github.io/portfolio_Mohamed/

TECHNICAL SKILLS

Languages: Java, C++, SQL, Python, JavaScript, C#, PHP
Backend: Spring Boot, Spring Data JPA, Hibernate, Spring Security; also Django, FastAPI, Express.js, Laravel, .NET
APIs & Security: RESTful APIs, JSON, JWT, OAuth2, Role-Based Access Control, Swagger/OpenAPI, Postman
Databases: MySQL, PostgreSQL, MongoDB, Query Tuning, Indexing, Schema Design
Concepts: OOP, DSA, System Design, Layered Architecture, Clean Code, DTOs, Validation, Exception Handling
Tools: Git, GitHub, Maven, IntelliJ IDEA, VS Code
Learning: Docker, Microservices, Redis, CI/CD, JUnit & Mockito

CERTIFICATIONS (HUAWEI)

- HCIA-Big Data V3.5 Course - Jul 2025 - View certificate
- 5G Basics: What it's all about - Nov 2025 - View certificate
- HCIA-Datacom V1.0 Course - Nov 2025 - View certificate

EXPERIENCE

Independent Backend Developer - Self-Directed Projects (2026 - Present)

- Designed and built backend systems end-to-end: data modeling, API design, security, and documentation, using Spring Boot, JPA, MySQL, JWT, and Swagger.

EDUCATION

Bachelor of Computer Science - October 6 University (O6U), Egypt (2024 - Present)
Faculty of Computers & Information | GPA: 3.78 / 4.00

ACTIVITIES

- **Admin, ICPC Community (ECBC), O6U** (2024 - 2025): organized contests and training sessions.
- **Competitive Programmer, Codeforces (Specialist):** regular contests and problem solving.
- **Peer Mentoring:** teaching programming concepts and problem-solving.
